

In partnership with the Warren County Departments of Health & Human Services

North Jersey Health Collaborative

health matters

Community Voice Initiative

Make your voice heard for a healthy community.
Fill out the Community Voice Survey today!

The North Jersey Health Collaborative is a group of more than 150 organizations working together to create healthy communities and healthy people. Every 3 years, we try to figure out what topics we should focus on to improve health in northern New Jersey.

To make sure we choose the things that really matter, we need to hear from people who live and work in our communities. This is your chance to tell us what you think we should focus on. The survey takes only 12 minutes to fill out and your answers are completely confidential!

You can also enter for a chance to win \$100 or a signed NY Jets football!

To fill out the survey:

- Visit <https://goo.gl/SJ2xPy>
- Scan the QR code →
- Call the Warren County Health Department at 908-475-7960 to request a paper copy
