

County Council for Young Children General Council

(meal will be served & young children are welcome)

350 Marshall St Phillipsburg, NJ

The purpose is for parents and community providers that serve families to gather, learn and present solutions to address what matters most to parents about the health, education and well being of their children.

Council members will offer ideas, opinions and present solutions for ways to build stronger connections for children, families and communities.

Parents and community members who live, work and care about the children of Warren County are welcome.

help us plan: book-sharing activities, parent cafe & more
