Welcome to the PHA EnVision Center!

The EnVision Center is a vibrant community hub designed to empower individuals and families. Open to **all members of the community**—not just PHA residents—we offer a centralized space for job training, financial literacy, educational support, health and wellness resources, and leadership development.

Center Features & Resources:

Computer Lab: Equipped with 15 laptops and a printer, completely **free** for public use.

Large Community Room: Available **free of charge** to local partner agencies for community programs, meetings, and events.

Whether you need assistance with computer access, job searches, or local support programs, we are here to help!

For questions, program details, or room reservations, contact: Sara: 908-343-8176 ext. 112

Open Computer Lab: Laptops available for job searches, employment applications, resume assistance, printing, email access, navigating electronic health records, and general digital literacy skill-building. Walk-ins welcome.

Beginner Chair Yoga: Gentle, Free, and accessible movement steamed sessions designed to enhance flexibility and wellness.

Express, Explore, and EnVision Adult Art Class: A welcoming environment to explore artistic expression using various mediums, facilitated by Ms. Sara. Registration Required 908-859-0122 ext. 112

R.O.S.S. Coordinator Drop-In Time: Exclusively for Phillipsburg Housing Authority residents. Assistance available for recertification, applications, documentation support, and community resource connections.
